SUMMARY

.NET Full-Stack Developer with over 5 years of industry experience. Notable expertise in developing web-based applications, optimizing software performance, and collaborating with cross-functional teams. Adept at staying updated with the latest technologies and consistently providing high-quality software solutions. I am a fast learner, open to learning, and quick to adapt to the required tools and infrastructure of the organization to maximize productivity, minimize system downtime, and quickly respond to the changing needs of the business.

EXPERIENCE

.NET Full-Stack Developer
02/2024 - Present
Infoworks Solutions Limited ↗

- Developed, tested, and successfully maintained web-based applications and responsive user interfaces, resulting in a 20% enhancement in user experience and a 15% increase in client retention.

- Optimize web performance, ensuring cross-browser and mobile responsiveness.

EDUCATION

Physics
09/2015 - 12/2019
University Of Jos, Jos, Plateau State, Nigeria - Bachelor of Science
Class of Degree: Second Class (Upper Division)

CERTIFICATES

UNICEF/NPC Integrated Birth Registration Programme Certificate
10/2022 - 12/2022
UNITED NATIONS INTERNATIONAL CHILDREN'S EMERGENCY FUND (UNICEF) & NATIONAL POPULATION COMMISSION (NPC)

Jos, Plateau State, Nigeria

- I participated in the Integrated Birth Registration/Immunization Campaign for children

under the age of five.

- I attended a one-day training at the Jos South LGA before implementation begins
- I was given the task of going from house to house in a local community in Jos South to register

children under age five (5) without their Certificate of Birth

- I was given a daily target of registering sixty (60) live births per day for six days.
- I was able to hit more than my overall target of 360 live births, for an astonishing figure of

428 registered. also participated in the distribution of certificates back to the parents or

guardians of the children after 5 weeks of collecting the birth information of their ward.

Diploma in Frontend Engineering
04/2021 - 04/2022
AltSchool Africa

SKILLS

C#	Microsoft SQL
.NET	Docker
HTML/CSS	RESTful API Design
JavaScript	Agile Methodologies
React	CI/CD Pipeline
Angular	Problem-Solving & Debugging
Tailwind CSS	Git & GitHub
MySQL	

LANGUAGES

English	Fluent	Igala	Native
